

Goals and Action Plan

October 20, 2010

1. Community Partner Collaborations
 - a. Fill gaps in community development to move forward
 - b. Involve new partners and individuals
 - c. Re-engage, energize and educate partners
 - d. Create “tag line” – a short statement that everyone can know to attach to our advocacy
2. Level and Quality of Service
 - a. Constantly work on Quality – with the focus on early services for children
 - b. Have appropriate data to back up what is being delivered
 - c. Educate families, providers, partners, and community on the definition of Quality in early childhood services
3. Leadership, Knowledge, and Advocacy
 - a. Respond to issues with the business leaders, elected officials, families, and providers
 - b. ONE VOICE/ONE MESSAGE
4. Reaching and Serving Families and Other Agencies
 - a. Reach children at an earlier age
 - b. Utilize technology in reaching families without abandoning flyers and posters
 - c. Find ways to provide information while reducing stigma attached to obtaining services
 - d. Agencies relay information about events and the Task Force should be represented
5. Looking at Long Term
 - a. Always look for new funding streams
 - b. Continue advocacy
 - c. Use available resources to meet the vision/mission of the Task Force
 - d. Continue to look for ways to make all of the stated items better and more productive
